Subject: Nominal Support for the 35th Clean Coal Day in Japan International
Symposium 2026 and the Energy Security with Decarbonization Symposium 2026**

Dear Mr. Osamu TSUKAMOTO,

On behalf of the Embassy of Bosnia and Herzegovina in Japan, I am pleased to express our support for the [35th Clean Coal Day in Japan International Symposium 2026] and the [Energy Security with Decarbonization Symposium 2026], to be held in Tokyo on September 3–4, 2026.

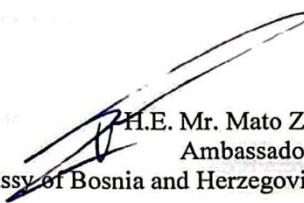

We highly appreciate the Japan Carbon Frontier Organization's continued efforts to promote dialogue and exchange of knowledge on clean coal technology, energy security, decarbonization, and sustainable energy development.

We believe that international symposiums of this nature provide valuable opportunities for experts, policymakers, and stakeholders to exchange views and experiences and to explore practical approaches to the energy challenges facing the international community.

The Embassy of Bosnia and Herzegovina is pleased to convey its support for this initiative and wishes the organizers and participants every success in the forthcoming symposium.

Please accept, Mr. TSUKAMOTO, the assurances of my highest consideration.

Sincerely,

H.E. Mr. Mato ZEKO
