Mr. TSUKAMOTO Osamu
President
Japan Carbon Frontier Organization
Tokyo

Dear Mr. Tsukamoto,

On the occasion of the upcoming *35th Clean Coal Day in Japan International Symposium (2026)* and *Energy Security with Decarbonization Symposium 2026*, I wish to extend, on behalf of the Embassy of the People's Republic of China in Japan, our warm congratulations on the event and express our sincere appreciation to the organizers for their longstanding commitment in advancing global decarbonization and promoting energy security.

Today, the global green and low-carbon transition is gaining momentum, while energy security and stable supply have become a shared concern of the international community. China stands ready to work with all parties to strengthen exchanges and cooperation, making positive contributions to the global energy transition and collective efforts to address climate change.

I sincerely wish the joint event a resounding success and look forward to the outcomes.

Best wishes,

WU Jianghao
Ambassador Extraordinary and Plenipotentiary
of the People's Republic of China to Japan
